6 Bedroom 2 x Terraced Properties

Marlborough Avenue, Hull, HU5 3LG

Offers in Region of

£500,000

Two substantial period properties which are inter connecting and conjoined to the rear having been used for social housing in the recent past.

Both properties have been the subject of reconfiguration to accommodate residents with partial independent living.

Both properties are arranged to three floors with living rooms, kitchens, bedrooms, en-suites and bathrooms.

To the rear the gardens are shared with a double garage inset. However, historically the properties would have enjoyed individual boundary lines.

Plans of the property are available on request for those wishing for further clarity.

Location

A leafy highly desirable conservation area surrounded with a wealth of historic landmarks and local amenities much needed for day to day living.

The area is well served with highly reputable schools, colleges and academies together with the University of Hull.

There are busy local independent traders close by along the neighbouring Chanterlands Avenue to include a health centre, post office and library.

The Avenues play host to many seasonal events throughout the year thus creating a unique community spirit and an appealing place to call home!

The property is just minutes away from the city centre and the Hull Royal Infirmary.
